

A number of years ago Clonmore Robert Emmets GFC embarked upon a drive to develop the facilities of the club to a standard demanded in the modern environment. To date, that drive has transformed the face of Gaelic games in Clonmore.

We never stand still. Recently a small gym was added and plans are afoot to further develop our facilities for our community; replacement or renovation of the hall and provision of a training pitch are targets we are aiming towards. Of course everything comes at a price and it is full credit to past committees that the club carries only a small debt. This will be met by continuing to host larger events which will provide both entertainment and much needed revenue to continue the management of the club.

In order to exist, provide games, coaching and services to the wider community the club has an extensive list of fixed and variable running costs. In recent years these costs have been in the region of £17,000 per annum and the need to meet these costs has meant only chipping off small amounts of existing debt.

We would now like to offer you the chance to help the club and local community by becoming a member of our monthly draw and donation scheme.

Clonmore GFC Building Development

We are requesting that our friends, former players, mentors, supporters and the entire community help us in a new initiative to meet our annual costs to help clear our debt and push on with club development.

Support our club and enter our monthly draws for a chance to win up to £8500

For further information, contact the scheme administrators: Oliver Donaghy, Dominic Molloy, Paul Grimley and Fintan McAliskey

Become a member and take part in monthly draws with 100s of prizes to be won worth £8500

**Club Cead Cluain Mhór
